CONTROLLABLE OPTICAL LENS

Commissioner for Patents  
Alexandria, VA 22313-1450

AMENDMENT

Sir:

In response to the outstanding official action dated August 27, 2007, it is respectfully submitted that the currently-pending claims are clearly patentably distinguishable over the cited and applied reference for the reasons detailed below. Accordingly, the claims remain unchanged from the claims as presented in the claim listing appended to the previously-filed Preliminary Amendment in the instant case and therefore no new claim listing is provided herewith.
